No, I knew it would go to me and that I would have to change it. Just got word on what to change it to.

I can change that for you no problem. It's going to you because your email address is listed where we specify the Editor-in-Chief's email address. Sorry, I should have asked you earlier if you were the EIC or if it should be somebody else.

Change who the form goes to on <https://wcms.epa.gov/goldkingmine/forms/contact-us-about-emergency-response-gold-king-mine-release>

It should go to r8eisc@epa.gov not to me!

I don't know how to make the change and can't find the answer in the web guide or Drupal Training.

Thanks!
